# LATINO LAW LIBRARIANS CAUCUS

Napa Valley, Courthouse, CA

## Purpose:

- To provide a forum for the exchange of ideas and information on issues of interest and concern to Latino and Caribbean law librarians.
- To represent them within AALL.
- To promote law librarianship and further the continuing education of Latino and Caribbean law librarians, and to develop and increase their visibility within AALL.
- To foster cooperation among Latino and Caribbean members in the profession.

Atascosa County Courthouse, TX

## Growth:

The American Association of Law Libraries was founded in 1906. Since then the Association has promoted and enhanced the value of law libraries to the legal and public communities. The Association has also gone on to foster the profession of law librarianship and to provide leadership in the field of legal information.

As a unified community, we Latinos can provide further growth in the profession, among our own group and be witness to other cultural groups to the opportunities and possibilities that lie ahead.

Through well organized and prepared programs, seminars, and workshops, we can continue to move ahead and become mentors to those that are yet to be or striving to become the best they can.

Let's start today, come join us in our efforts with pride in all we have to offer.

We need your:

- Talent
- Time
- Voice
