

MichALL

Join your fellow ORALL and MichALL Colleagues for Lunch in Orlando!

ORALL & MichALL cordially invite all members the opportunity to participate in our annual joint chapter luncheon at the 95th Annual Meeting of the American Association of Law Libraries. The goal of this event is to enable members from both chapters a unique opportunity for colleagues, old and new, to time to chat, network, and discuss issues of shared importance. High hotel food costs were prohibitive this year. Therefore, so that we may continue this great tradition and encourage participation, we have decided to offer a more modest menu, which is detailed below.

We look forward to seeing many of you there!
