

REPRESENTATIVES TO RELATED ORGANIZATIONS 2010-2011

The AALL Representative program formalizes certain relationships between AALL and partner organizations which include our “stakeholders.” Members are appointed to representative positions based on their expertise in an area related to the partner organization, or due to their particular positions within AALL. One goal of the representative program is to facilitate the dissemination of AALL needs, goals, and thinking to groups whose activities and policies could affect AALL member libraries. Another goal is to discover relevant information about the needs of the organizations and communicate that back to AALL members.

Listed below are AALL partner organizations and the official AALL member representatives.
