4. If some of the information content currently published in PLL Perspectives were moved to another venue, what would you prefer moved? (check all that apply)

#	Response
1	I like it the way it is
2	Don't move any of it.
3	It should be an all or nothing change, not just some of the information.
4	I like the blog idea with brief "articles" & links to lengthier articles
5	I like the way it is now.
6	
7	n/a
8	Any of these things would go well on a wiki or blog, but I prefer the listserv. Book reviews might especially be useful on a wiki.
9	Real time articles that users can share and update as necessary
10	I would hate to see any of the content moved to a different venue.
11	It could go to the PLL listserv - more timely
12	Depends on where it moves to - AALL could go to Spectrum.
13	
14	Notices with a time impact.
15	None of the above. Keep it as it is.
16	DO NOT MOVE TO ANOTHER VENUE--THIS IS LIKE FLAVOR OF THE MONTH -- NON?
17	(These are rhe only buttons that have worked--at least that I can tell from my end)
18	Don't move anything. There are too many places to go already for AALL related inforamtion
19	Fine as it is.
20	I think the content should remain the same
21	I dont read this so I cannot answer
