

2004/05 SCCLL Awards Committee Annual Report

The Connie E. Bolden Publications Award is presented to a member of the State, Court and County Law Libraries SIS triennially. This year's Awards Committee sought nominations from the membership by using the SCCLL Newsletter, SCCLL e-mail list, and the AALL executive director's message to the membership. Committee members also monitored legal and law publications for significant works by our members.

The Committee received two nominations, both for the same SCCLL member. The Committee heartily agreed with the nominators and notified Joel Fishman that he was the recipient. The 2005 Bolden award recognizes Dr. Fishman's extensive publication of books and articles dealing with Pennsylvania law over the past twenty-five years.

Committee members notified Spectrum SIS News editor, SCCLL Newsletter editor, SCCLL e-mail list, and AALL headquarters of the selection. Headquarters will have an announcement in the Awards and Acknowledgements brochure and will prepare a plaque which will be presented at the SCCLL annual breakfast and business meeting.
