Report on the Activities of the Grants Committee

May 1, 2003

Part II – Grants

The Committee updated information regarding the grants process, and had it posted on the SCCLL web site. The availability of grants was also publicized on the SCCLL listserv, the Lawlib listserv, and in AALL Spectrum.

The Grants committee received twelve applications for grants to help pay for travel expenses to the 2003 AALL Annual Meeting in Seattle. Three of the applications were disqualified because the applicants were not members of SCCLL. With a \$3000 allocation, the Committee decided to award 4 grants of \$750 each.

Grants were awarded to

Jeffrey L. Dowd
Zoya Golban
Ana Hinman
Akram Sadeghi Pari

To increase the amount of money available for grants in 2004, members were reminded via the SCCLL web site and listserv of the opportunity to make individual contributions to for this purpose. The amount of money raised in this manner is not large, but it is worthwhile to remind the SCCLL membership that personal contributions are gratefully accepted.

Respectfully submitted,

Mary B. Fuller
Co-chair, SCCLL Grants Committee
