

SCCLL Trustees Committee Annual Report for 2004-05

Sara Galligan, Chair

Members of the committee were Anita Anderson, Sara Galligan (Committee Chair), and Lisa Rush. Activities this year included planning the Trustees Luncheon for the San Antonio meeting and launching the section's first VIP (Valuable Invited Participant) event. The SCCLL executive board approved a budget for both the Trustees Luncheon and our VIP. Lisa identified Judge Lora Livingston with the Travis County District Court as a potential speaker for the Trustee's Luncheon program. Sara confirmed Judge Livingston's acceptance and coordinated other luncheon details with AALL headquarters and Judge Livingston. Sara also drafted criteria for the first VIP for our section and requested input from the SIS on the selection process. The final criteria were reported in the SCCLL newsletter. Sandy Marz solicited VIP nominations from SIS members. Twelve names were received, and the members of the Trustees Committee ranked the nominations, which resulted in Judge Lora Livingston's selection as our first VIP. Anita Anderson prepared an itinerary for the Judge that included events of special interest during the AALL annual meeting. Sara finalized VIP details with Judge Livingston and AALL headquarters. The VIP process is a meaningful promotional opportunity for our SIS, and Judge Livingston will be a wonderful first VIP. The SIS VIP event should definitely be continued, and our SIS could possibly benefit by establishing a VIP Committee.
