Volume 15

SERIALS

Number 2

APR 4 1989

UNIV. OF WASHINGTON
Gallagher Law Library

This issue of the NEWSLETTER includes the cover sheet, a printout of fax numbers for SCCLL members, the minutes of the June meeting in Atlanta, a copy of the BYLAWS as ammended in Atlanta, a Conell Mentor Project announcement, a report from Pamela Gregory as Chair of the Survey Committee and a final, last ditch effort at giving away a Reno \$150 registration.

As Pam tells it, the next issue of the NEWSLETTER is special and will request your prompt attention. Please cooperate so that helpful statistics may be compiled quickly and accurately.

The \$150

Not a single contest entry! Not even one! Astonishing! Have salaries or budgets improved so much that \$150 isn't worth a try?

The answer must lie elsewhere. Maybe the contest rules need changing, so here goes. Instead of f...ing your entry to us, simply follow the contest rules and MAIL your entry by April 21, 1989.

The winner(s) will be announced in the special May issue of the SCCLL NEWSLETTER. There will be a 2nd and 3rd prize as well, so send us your entry.

Round Table to meet in Toronto and Reno

For several years, directors of membership libraries and other libraries that charge user fees have convened in various cities to discuss problems relating to their own special interests and needs. Their group is called The Round Table and includes representatives from library companies, bar association libraries, county libraries and the like. This year the group will meet in Toronto for three days in early May and is also planning a luncheon meeting in Reno. If you have similar interests, why not inquire?

For information about the Toronto meeting call Glen Howell,
(416) 947-3397.

For information about the Reno luncheon call Regina Smith,
(215) 592-5697.

Appellate Court Standards

Minutes of the Atlanta meeting state that Appellate Court Library Standards will be forwarded to The AALL Executive Board for approval. The standards were approved and will be distributed at the annual meeting in Reno.

For SCCLL/sis members who will not be at the meeting, a copy may be obtained by writing to Helen Kostelas, The Association of the Bar, 42 West 44th St., N.Y., N.Y. 10036.

Program for Reno

The Program Committee reports that the annual meeting is set and will actually include two programs in one. It will begin with a panel discussion featuring three law librarians with extensive experience in automating libraries.

Practical Experience in Automating Law Libraries is the official title of the first part of the program. Participating on the panel will be Charles Dyer from California, Deo Maynard from Arizona and a representative of the State Law Library in Alaska. Speakers will emphasize practical ways of automating library services.

The second half of the program will explore areas of service that have been neglected by too many of us for too long. By choosing Service to Disabled Law Library Users as a co-feature of the program, the committee has identified a problem that SCCLL librarians, in particular, should help solve.

Joseph Bedgood of West Publishing Co. and Walter Langosch of San Jose, California will represent vendors. Disabled lawyers will participate on the program as well.

David Badertscher requests that you send him written questions that you would like answered during the program.

See you in Reno
